Lindsay, July 9, 2009

Today, Scotiabank presented a generous contribution to the RMH Foundation - the latest installment of \$5,000 towards their pledge to Ross Memorial's Caring for

Tomorrow Campaign. This is the ninth of ten annual installments toward Scotiabank's \$50,000 pledge in support of the Ross Memorial Hospital's expansion project.

Erin Coons, Executive Director of the RMH Foundation accepted the donation from Dennis Smith of Scotiabank.

"We're so appreciative of the Scotiabank team's dedication to the Hospital and the community," said Coons. "It's a pleasure to show the Scotiabank team how their donation is making a difference at the Ross."
