

Kawartha Credit Union continues to support RMH

Lindsay, September 1, 2009

The Ross Memorial Hospital Foundation recognizes the Kawartha Credit

Union as a dedicated supporter of our community hospital. Today, Lindsay Branch Manager Janice Barber presented Karen Scott, Donor Relations Coordinator with the RMH Foundation, with a cheque for \$2500. The Kawartha Credit Union has been supporting the Hospital through the Foundation since 1997.

"The Kawartha Credit Union team continues to show they're committed to local health care," said Scott. "We're thrilled to have their support. This generous donation will help us to support the Hospital with equipment, facility and educational needs. Every donation makes a difference at the Ross Memorial."
