Welcome to the Ambulatory Care Unit

“A Tradition of Caring,
A Vision of
Excellence.”

Welcome to Ambulatory Care Unit (ACU)

The Ambulatory Care Unit (ACU) is responsible for performing procedures on out-patients that do not require a general anaesthetic.

Services include:

After Hours Clinic

Endoscopy Clinic

Eye Laser Clinic

Fracture Clinic

Gynaecology Clinic

Hospitalist Clinic

Minor Procedure Clinic

Pain Management Clinic

Pre-operative Assessment

Urology Clinic

What to Bring ...

- Ontario Health Card
- Red Ross Memorial Hospital card, if you have one
- A list of medications you are currently taking at home, including any non-prescription drugs taken regularly
- A list of any known allergies and/or sensitivities
- Wear comfortable, loose fitting clothing

What Not to Bring ...

- Cellular phones: To reduce the risk of interference with medical equipment, the hospital restricts the use of cellular phones. Please turn these devices off upon entering the hospital.
- Any valuables: Ross Memorial Hospital does not accept any responsibility for lost, damaged or stolen property.

Upon arrival at the hospital:

- Please proceed to the Ambulatory Care Unit (ACU), located on the 1st floor.

Visitors ...

- Adult patients are encouraged to select one support person to accompany them to their ACU appointment. Where others are integral to meet the patient's physical, emotional or language needs, exceptions may be made.
- Following a procedure, a driver is often required to be available to escort the patient home. Please ask your support person/driver to check with the hospital receptionist for instructions before leaving the ACU.
