### Investing in the Future...

The Ross Memorial Hospital Foundation supports the Dr. R.J. Watson Medical Student Bursary. This award is provided to local medical students with the hope that when they complete their studies, they will choose to return to the area to practice medicine and apply for active privileges at Ross Memorial.

A \$1,000 per academic year bursary is provided to each qualifying candidate.

This year's recipients are:

*Erin Stone, Melissa Graham, Mark Stone, , Andrew Petrosoniak and Adam Stewart (absent), all from the Lindsay area.*

Candidates must fulfill all three of the following requirements: be a resident of the City of Kawartha Lakes; be enrolled in a Faculty of Medicine Program at a Canadian University; be a Canadian citizen or landed immigrant.

The award is named for Dr. Robert Watson (centre), who practiced medicine at the hospital and in the community for over 40 years.

### Monthly Giving...

The Ross Memorial Hospital Foundation offers donors flexibility and choice with their monthly giving program.

A monthly gift can be completed by Visa, Mastercard or electronic funds transfer (EFT) and is a convenient way to spread your donation over the entire year. In accordance with your wishes, you may change, increase, or cancel your monthly gift at any time simply by contacting the Foundation office.

Make your donation automatically each month, and receive one consolidated tax receipt at the end of each year. Monthly giving is convenient for you, while helping us to reduce administrative costs. And, you have the pride of knowing that your monthly donation provides a dependable source of funds to help us make long term plans for responding to the capital and equipment needs of the Hospital.

For more information on monthly giving, contact the Foundation office at (705) 328-6146.
