

Planting Hope for Hospital Operating Rooms...

The Ross Memorial Hospital Foundation would like to extend our heartfelt appreciation for the generous gifts we continue to receive for our 2006 Spring Appeal.

As you may be aware, this spring our goal is to provide vital equipment for our Operating Rooms.

Ross Memorial Hospital's Surgical team aims to exceed your expectations.

As a physician and anaesthetist for Ross Memorial Hospital's surgical program for over 40 years, Dr. Lindsay (left) reminds everyone just "how important it is to have the right tools in the right hands."

Monica Bertrand-Jardine (right) was pleased to support this project as she recently experienced our surgical program first-hand this past December.

Let Monica's story and the arrival of spring inspire you to 'plant hope' in Ross Memorial Hospital's surgical program.

Online Giving...

For your convenience, Ross Memorial Hospital Foundation now accepts online donations with the help of CanadaHelps.org!

CanadaHelps, a public charitable foundation, is Canada's only donation portal that provides access to all of Canada's 80,000 charities, from national organizations like national cancer charities to smaller groups like local hospitals such as ours.

For donors, CanadaHelps.org simplifies the donating process, making it easy, quick and secure. On any pages where you share personal information or perform financial transactions, CanadaHelps.org encrypts your data using Secure Socket Layers (SSL), allowing you to send and receive information without the worry of having it intercepted.

For charities like ours, CanadaHelps.org provides a cost effective alternative to setting up our own online donations programs: there is no set-up fee, no annual charges and charities receive immediate notification when a donation is received.

To donate online to any of our initiatives such as our Spring Appeal, simply visit our website at: www.rmh.org/foundation and click the "Donate Now" button. (This button also appears on many of our other pages.) It will automatically direct you to our giving page on the CanadaHelps.org website where step-by-step instructions are provided!
