Ross Memorial Hospital continues to implement a mandatory masking directive to help ensure the safety of our patients, staff, visitors and volunteers. We thank you for your understanding and cooperation.

If you have a medical condition that prevents you from wearing a mask, our team is happy to arrange an alternative for you.

Refusal to adhere to our mandatory masking directive may result in removal from the hospital.

Thank you again for helping RMH maintain the safest environment possible for everyone who comes into our hospital.
